Ayurveda infused Deep Massage & Bodywork.

We are different.
Ayurveda is an ancient medicine that is over 5000 years old.
All Deep Massage Experiences include the infusion of Herbal, Medicated Massage Oils, some formulations are thousands of years old, that are specifically selected to your constitution (Dosha).
These blends penetrate transdermally so that the herbs can enter your tissues to heal, calm, soften & soothe.
This combination of Deep Massage & Ayurvedic Ancient Herbal Medicine ensures the most unique & profound Massage Experience Port Douglas has to offer.

deep MASSAGE

deep massage | customised bodywork

We are different...

We are all fully qualified Massage Specialists

Each therapist has their own unique talent & specialities that may include Remedial, Swedish, Deep Tissue, Sports, Kahuna, Physiotherapy & more.
When you book a Massage with us you may notice we offer times of day instead of types of treatment. We do this because everything we do is completely customised. Some parts of the body may need Deep work whilst others will benefit from a lighter touch. We will only know what type of style of Massage is right for you after a thorough consultation.

Pick a time that feels right to you & we will design a Massage experience specifically to your needs.

deepFACIAL

skin rejuvenation | organic beauty

We recognise that some people love receiving a facial with the understanding that not only are they fantastic to regenerate your skin but they can be incredibly relaxing. All deepFACIAL treatments are Massage focused including the face, neck, shoulder, feet &/or hands.
We come from a massage perspective so expect lots of hands on, flowing healing movements designed to drain, nourish & revive your skin. Our facials feature Australian made Raww Organic Cosmetics. This means only using the best superfoods and natural ingredients possible.
Enjoy a Deep Cleanse, Exfoliation, Mask, Facial Massage & Hydration.

All facials are fully customised according to your skins needs.

reduced pricing

Our base rate for a 60 minute Ayurveda infused Deep Massage or Or deepFACIAL is \$155 however we reduce our pricing on our morning & midday appointments substantially to encourage people to have their treatment early in the day.
